Retiree Dental Plan Details for 2027

The retiree, spouse and any eligible dependents may continue in the UCA group dental insurance until they reach age 65.

- Retiree is responsible for 100% of the full monthly premium based on enrollment status (single, family, etc.)
- Spouse and/or any eligible children less than age 65 may continue on the dental plan after the retiree has reached age 65 and becomes ineligible.
- Premiums will be collected by monthly bank draft.
