

### **Pocahontas**

#### **Davidsonville Historic State Park**

8047 Hwy. 166 South, Pocahontas, 870-892-4708

**March 26**, 9am-2pm

#### ***Program: Dyed and Berried in Davidsonville: A Natural Dye Workshop***

Join Park Interpreter, Bonnie Marbery, to learn how to use plants, trees, and other natural dyes to create beautiful colors on fabrics just like the inhabitants of Davidsonville would have 200 years ago. Fee: \$25.

### **Rogers**

#### **Rogers Historical Museum**

322 S. Second St., Rogers, 479-621-1154

**March 22 & 24**, 10am-12pm both days

#### ***Program: Digging into Spring Break***

Kids ages 6-12 who attend the event will learn about archeologists and techniques they use on the job as well as Native American pottery designs while they dig up treasures, reassemble broken pottery, and decorate their own terracotta pot. Registration is required through Eventbrite.

### **West Helena**

#### **Delta Heritage Trail State Park**

5539 Hwy. 49, Visitors Center, West Helena, 870-572-2352

**March 26**, 1-4pm

#### ***Program: Artifact ID Day***

Artifact experts from the Arkansas Archeological Survey — UAPB Research Station will be available to identify and discuss items from your private collection such as their age, purpose, and type of material.  
*Note:* No appraisals.

**March 26**, 1-4pm

#### ***Program: Delta Heritage Trail (Missouri Pacific's Wynne Subdivision): History Through the Miles" Book Signing***

Here is your chance to meet Barton Jennings who recently completed a guide book on the history of the Delta Heritage Trail. Copies will be available for purchase and he will be present to sign them and discuss the history of the trail.

### **Wilson**

#### **Hampson Archeological Museum State Park**

3 Madison Ave., Wilson, 870-655-8622

**March 5, March 23**, 9-10 am, 2-3pm

#### ***Program: Piecing Together History***

American Indians left behind their stories in many ways; some told their stories on cave walls while others left their stories on vessels. Become a junior archeologist and help us to piece the past back together.

**March 12**, 1-4pm

#### ***Program: Artifact ID Day***

Dr. Julie Morrow, Arkansas Archeological Survey — ASU Research Station, will tell you about your artifacts, fossils, and minerals.

*Note:* No appraisals.

**March 19**, 9-10 am, 2-3pm

#### ***Program: Shoebox Archeology***

American Indians left hidden treasures throughout the area. Dig or sift through the dirt and then re-create a similar treasure. Fee: \$5

**March 24**, 9am-10 am, 2pm-3pm

#### ***Program: Jr. Archeologist Scavenger Hunt***

Explore the museum for clues to unlocking the past of a people from long ago. Learn about the native people from this area and how they lived.

**March 25**, 9-10 am, 2-3pm

#### ***Program: Native Games***

Games are played all around the world, but have you ever thought about what American Indians from this area did in their spare time? Try your hand at the games.

**March 25**, 9-10am, 2-3pm

#### ***Program: Creative Pottery***

This State Park interprets a civilization that created art in many ways. One of those works of art is in the form of pottery. Learn the native way of creating pottery and decorate a vessel to take home. Fee: \$6.
