Progress Reports

We appreciate the professors for submitting their progress reports, which have helped achieve a 91% completion rate. Your contributions greatly enhance our students' success at UCA.

The Tutoring Care Unit currently supports Tutoring Services (Torreyson 223), and the Center for Writing and Communication (CWC, Thompson 101). Students can currently schedule appointments in both of these locations. **COMING SOON** – The Tutoring Care Unit will support the Accounting Lab (COB 204), Math Resource Lab (Math and Computer Science, 1st Floor) and the Language Learning Lab (Irby 209).

Navigate360 Training:

You can now schedule in-person trainings for Navigate360 for up to 6 people at a time. You can bring your office or a group with the same goals in mind to a training tailored for you. Training is located in the Student Success and Veterans Resource Center, Room 116.

Referrals

Faculty can now refer a student to tutoring. This can be found on the left-hand side of their professor home page under Actions > Issue an Alert or Referral. Select Refer to Tutoring. Tutoring will then reach out with an appointment campaign for the student to make an appointment for tutoring.

PawsUp

Students can now issue an alert on themselves asking for assistance for the following areas.

- I need help paying for college.
- I am feeling overwhelmed
- I need help with my classes

These alerts will generate an email with the resources UCA has available. Students can find this on the Navigate360 Student App or in MyUCA > Navigate for Student.
