EDUCATION

Ph.D., Nutrition and Food Systems, August 2011

The University of Southern Mississippi, Hattiesburg, MS

Dissertation: “Latent growth modeling of a nutrition and physical activity intervention”

Advisor: Kathy Yadrick

M.S., Nutrition and Dietetics, February 2006

Louisiana Tech University, Ruston, LA

Thesis: “Nutrition instruction by middle school teachers with and without Family and Consumer Sciences background”

Advisor: Mary W. Murimi

B.S., Nutrition and Dietetics, Minor: Honors Studies, May 2004

University of Central Arkansas, Conway, AR

Thesis: “Children previously diagnosed as failure to thrive and 9 year follow up on cognitive development”

Advisor: Tina L. Crook

ACADEMIC EXPERIENCE

May 2019 – Present

Associate Professor and Dietetic Internship Director

Family and Consumer Sciences

College of Health and Behavioral Sciences

The University of Central Arkansas

May 2017 – May 2019

Assistant Professor and Dietetic Internship Director

Family and Consumer Sciences

College of Health and Behavioral Sciences

The University of Central Arkansas

August 2015 – May 2017

Assistant Professor

Family and Consumer Sciences

College of Health and Behavioral Sciences

The University of Central Arkansas

May 2011 – August 2015

Assistant Professor

Nutrition and Food Systems

College of Health

The University of Southern Mississippi

May 2013: Nina Bell Suggs Endowed Professor

January 2007 – August 2012

Adjunct Instructor

Nutrition and Dietetics

Department of Allied Health Sciences

Nicholls State University

August 2010 – May 2011

Visiting Instructor

Nutrition and Food Systems

College of Health

The University of Southern Mississippi

August 2009 – August 2010	Graduate Research Assistant, Process Evaluation Coordinator Nutrition and Food Systems College of Health The University of Southern Mississippi
May 2006 – October 2006	External Grant Evaluator, Dubach Health Outreach Program City of Dubach, LA and Louisiana Tech University
August 2004 – May 2006	Graduate Teaching Assistant and Research Assistant Food and Nutrition School of Human Ecology Louisiana Tech University

INDUSTRY EXPERIENCE

July 2006 – July 2009	Research Project Coordinator, LA Health, Army H.E.A.L.T.H. Pennington Biomedical Research Center Baton Rouge, LA
September 2006 – January 2009	Nutrition Instructor, Two Sizes Smaller YMCA of the Capital Region Baton Rouge, LA
June 2005 – June 2006	Clinical Dietitian Cornerstone Medical Group Bossier City, LA

PROFESSIONAL CREDENTIALS

Registered Dietitian, Commission on Dietetic Registration (Licensure Number: 960201)
Licensed Dietitian, Arkansas Dietetics Licensing Board (Licensure Number: 1938)
Licensed Dietitian/Nutritionist, Louisiana State Board of Nutrition Examiners (Licensure Number: 1942)
ServSafe Instructor and Examination Proctor, National Restaurant Association (Instructor Number: 8538728)
School Nutrition Certification, Level 3 Certificate, School Nutrition Association
School Nutrition Specialist, School Nutrition Association
Certified Peer Reviewer, Quality Matters

TEACHING RESPONSIBILITIES

“A Community Partnership to Reduce Blood Pressure among African American Adults”

The goals of this CBPR project were to develop and assess community capacity to promote physical activity and healthy food choices, to test treatment effects of a 6-month CBPR walking intervention on systolic blood pressure among all walking participants, and to test the treatment effects of a sustained motivational enhancement via telephone on SBP.

ROLE: Co-Investigator, 2011-2013; Process Evaluation Coordinator/Database Manager, 2009-2011 (45% contribution)

58-6251-3-001 Yadrick (PI) 09/13-08/14

“Delta Obesity Prevention Research Unit”

The goal of this project was to evaluate food patterns of Mississippi Delta residents, to adapt those patterns to better meet the recommendations of the Dietary Guidelines for Americans (DGA), and to test the effectiveness of an intervention DGA in reducing weight gain, improving eating patterns, and improving biological risk factors for obesity-related chronic disease.

ROLE: Co-Investigator and Database Manager (40% contribution)

58-6251-8-043 Yadrick (PI) 09/08-09/13

“Delta Obesity Prevention Research Unit”

The goal of this project was to evaluate food patterns of Mississippi Delta residents, to adapt those patterns to better meet the recommendations of the Dietary Guidelines for Americans (DGA), and to test the effectiveness of an intervention DGA in reducing weight gain, improving eating patterns, and improving biological risk factors for obesity-related chronic disease.

ROLE: Co-Investigator and Database Manager

R01 HD048483 Williamson (PI) 2005-2009

“LA Health: A prospective study of primary and secondary obesity prevention in children and adolescents”

The goal of the LA Health project was to test the efficacy of an environmental approach (primary and secondary interventions) for modifying healthy eating in elementary and middle school children in poor, rural areas of Louisiana.

Role: Project Coordinator
