Goals for Today

01

LEARN ABOUT
THE PROGRAM

02

MEET EACH
OTHER

03

ANSWER
QUESTIONS

The Program

- ◆ Interdisciplinary program
- ◆ Studies architectural and artistic advancements, health and nutrition changes, economic vitality of the Florentine ruling families during Renaissance history, humanism, and cultural advancement
- ◆ Italy was chosen because of the intersection of design, nutrition, and human studies content
 - Courses meet UCA core requirements for the upper-division Diversity requirement
 - Undergraduate and Graduate students are eligible
 - Courses are interdisciplinary with class meetings prior to travel, daily morning meetings and tours, assignments specific to each discipline, and all students experiencing all content and interacting with each other
