**8/01/19 – United Cerebral Palsy of Arkansas – Butterfly Learning Center**

We are looking for someone to join our team as a full time Pediatric Occupational Therapist. We serve children who are birth to 5 years of age in an integrated preschool setting. We are a family centered company that has a low departmental employee turnover and understands the needs of all families. Our facility is located in the heart of Little Rock. Salary is based on years of experience. All experience levels are welcome to apply.

Please apply at [www.ucpcark.org/](http://www.ucpcark.org/)

**7/15/19 – Acuity Search Solutions (Ohio)**

We are working with one of the premier hospital's in the Central, Ohio area and we have an immediate need for an occupational therapist to work in a pediatric outpatient setting.

This is an amazing opportunity because it offers the individual the chance to have a flexible schedule working in a pediatric setting treating pre-school and school aged patients in a clinic. The position will be full time, but at least 32 hours per week. Schedule can be arranged as a 4 day week or even a 3 day week.

You would be eligible for a strong salary and good benefits. This is with Ohio's largest hospital system. You will also be able to join a progressive team and work with a wonderful management team.

The position is located in the Northwest Columbus Region. The position requires an active OT license in Ohio and a desire to work with pediatric patients. Experience is a plus but we will consider and train new grads.

I would love to speak to you about this in more detail. Please let me know a good time to speak with you.
