NOT JUST ANY SUMMER JOB...

Working for Camp Aldersgate isn't just any resume builder.

It's the experience of a lifetime.

As a counselor, you will:

Receive thorough training and education about caring for individuals with special needs and various medical diagnoses

Learn how to provide personal care, appropriate transfers, person-first language, diagnoses education, behavioral management and more.

Have opportunities for networking and a Q&A with reputable physicians

Meet and interact with doctors, nurses and therapists supporting campers throughout the summer.

Experience hands-on learning in a fun camp environment

Opportunity every day to work with a variety of diagnosis in a fun and exciting environment.

Create life-long memories and friendships

Connect with peers from all walks of life and create life-changing memories with other counselors and campers.
