

## Occupational Therapist in North Little Rock

### AR Lymphedema

We offer competitive salaries, on-site training, continuing education allowance, health insurance, sign-on bonuses, and much more.

### The Company:

AR Lymphedema Therapy is the only certified lymphedema therapy clinic that is therapist-owned and operated. Our patient satisfaction ratings are never below 99% because positive outcomes are our passion. We believe in providing quality care by highly skilled clinicians. Our therapists have schedules based on 80-minute blocks of time. A daily therapist schedule typically consists of 6 patients. We focus not only on reducing edema but on improving one's life through exercise to increase mobility, strength, and endurance as well as extensive education to maintain the benefits of treatment.

### The Position:

We're looking for an Occupational Therapist. The pay range is based on experience.

- On-the-job training often consists of 4-6 weeks before beginning a caseload.
- We offer a team-based, positive work environment.
- Our therapy sessions are all one-on-one- with typical 6 /day patient caseloads
- PTO
- \$1,000.00 Annual continuing education allowance
- Retirement Plan
- Retention Bonus opportunities
- Health Insurance options
- Full-time or Part-time Salary: \$66,500.00 - \$90,000.00 per year

### Requirements:

- Degree in Occupational Therapy.
- Arkansas State License

Prefer lymphedema familiarity or experience, which could include student rotations
