

# FINANCIAL OBLIGATIONS

UCA PANHELLENIC COUNCIL

**Financial requirements are an important consideration for women participating in sorority recruitment. Each sorority has a financial requirement and this money is used to fund the operations, programming, sorority housing upkeep, and social events for the chapter. It also allows the inter/national organization to continue to provide resources and support for the chapter.**

Dues and fees vary from chapter to chapter and year to year. Sorority costs are often more expensive during your first semester in the organization due to one-time fees and expenses.

**Please recognize that when you become a new member of a sorority, you are affiliating with that organization. If at any time you choose to disaffiliate, you may still be held responsible for fees or payments required to fulfill your contract with the organization.**

During formal recruitment, a potential member should ask sorority members about financial obligations, payment plan options, and payment schedule options.

**NEW MEMBER SEMESTER:**

**\$500-\$800**

**MEMBER-IN HOUSE:**

**\$300-\$500**

**MEMBER-OUT OF HOUSE:**

**\$300-\$600**

# SORORITY HOUSING

**The five Panhellenic sororities at UCA have beautiful 32-bed houses located in Greek Village. Each house has a chapter room for weekly meetings, a full kitchen, living space, and a study room for members.**

**Each sorority has a different process for choosing who lives in the house, but it is very typical that members will move into the house during their sophomore, junior, or senior year.**

**There is an expectation with all the chapters that members will live in the house at least one year. Exceptions are made on an individual basis with each organization.**

**GREEK VILLAGE**  
**10-month Lease**  
**Double Rate: \$2,795.00**  
**Single Rate: \$4,000.00**

Very comparable rate to University Apartments  
Will require a meal plan, students usually get the smallest option available
