B.A. In addition to the other requirements for graduation, the Bachelor of Arts degree requires completion of three [3] hours in a foreign language at the 2000-level or above. A student with no previous experience with a foreign language normally will enroll in 1310, 1320, and 2300 or 2310. Guided Study courses will not be accepted as transfer credit in fulfillment of the foreign language requirement. NOTE: Students with prior experience in a language are strongly encouraged to take the departmental placement test before enrolling in their first course.

B.S. In addition to the other requirements for graduation and the general education requirements in Mathematics and Science, the Bachelor of Science degree requires completion of one [1] year of Mathematics (excluding Univ. 1340) or a laboratory science (i.e. 2 courses in Biology, 2 courses in Chemistry, etc.). General Education science courses (e.g. BIOL 1400, CHEM 1400, and PHYS 1400) cannot be used to satisfy the additional year of science.
