JOB ORDER CONTRACTING FOR GENERAL CONTRACTORS

RFP# UCA-24-037

Submittal Deadline: February 21, 2024 at 2:00 p.m.

1.0 INTRODUCTION

The University of Central Arkansas (UCA) is requesting Proposals from **General Contractors** interested in providing Job Order Contracting (JOC) services to the University. The selected Job Order Contractor must have an Arkansas Contractor's License, shall provide project administration, planning and the above services listed for all campus owned facilities including, but not limited to, new construction, repairs, alterations, replacements, maintenance, etc.

The University has determined that the use of Job Order Contracting has been of benefit by providing an effective means of reducing the total lead-time and cost for small trade projects at UCA's facilities. The University reserves the right to award this contract to multiple vendors as in the best interest of the University.

Arkansas Code 19-4-1416 outlines the requirements for JOC and authorizes the University to utilize this contracting procedure.

The resulting contract will be considered an "On-call contract" meaning the University will have the ability to continue to call upon the successful bidder to conduct additional construction services as required by the University.

2.0 UCA BACKGROUND INFORMATION

Founded in 1907, University of Central Arkansas is one of the best and most affordable options for higher education in the South. Located in Conway, Arkansas, "The City of Colleges," the university's bustling, Georgian-style campus is among the most beautiful in the region.

In fall 2022, nearly 10,000 students from seventy-seven (77) different countries, forty-eight (48) states, and all seventy-five (75) counties in Arkansas were part of UCA's diverse community. The university is large enough to offer academic diversity, yet small enough to show personal interest and support. Students engage in undergraduate research and publication opportunities that most students don't have until graduate school.

UCA offers more than eighty (80) undergraduate degree and certificate programs and fifty-seven (57) graduate degree and certificate programs, including six (6) doctoral degrees. UCA offers programs of study in five (5) different colleges — the College of Arts, Humanities, and Social Sciences, the College of Business, the College of Education, the College of Health and Behavioral Sciences, and the College of Natural Sciences and Mathematics. Each college offers significant opportunities to learn and grow.

The university's Honors College is nationally known for its unique and challenging curriculum. The Honors College offers small, discussion-based seminars, close student-faculty relations, funding for travel abroad, and internships.

As its mission states, the University of Central Arkansas, a leader in 21st-century higher education, is committed to excellence through the delivery of outstanding undergraduate and graduate education that remains current and responsive to the diverse needs of those it serves. The university's faculty and staff promote the intellectual, professional, social, and personal development of its students through innovations in learning, scholarship, and creative endeavors. Students, faculty, and staff partner to create strong engagement with the local, national, and global communities. The University of Central Arkansas dedicates itself to academic vitality, integrity, and diversity.

3.0 SELECTION PROCESS

Proposals will be evaluated in three (3) phases. The first phase will determine if the mandatory requirements of this Request for Proposal have been agreed to and/or met. Failure to comply will deem a proposal non-responsive. The University may reject any Proposal that is incomplete. However, the University may waive minor irregularities. The Director of Procurement or designee completes this phase.

The University of Central Arkansas will base the second phase on an evaluation of the Technical/Business proposal by an evaluation committee appointed by the University. Points will be awarded to each Proposal based on a comparative formula of relative weights as described in this Request for Proposal.

The third phase will be the opening and calculation of the pricing proposal by the Director of Purchasing or designee, and review by the evaluation committee.

Please Note: The University will contact firms to notify them of whether they will be moving on to the interview phase. Potential interview dates are March 5-7, 2024.

- 3.1 The University's evaluation committee will evaluate all Proposals submitted by firms in response to this Request for Proposal (RFP), in accordance with the qualifications and evaluation criteria set forth in Section 6 of this RFP.
- 3.2 Based on the evaluation and scoring of the Proposals, the highest ranked firms will be invited to participate in an interview with the evaluation committee. The firms' interviews will be scored in accordance with the criteria outlined in Section 6.6 of this RFP.

After all interviews have been conducted, the interview scores, proposal scores and pricing proposal will be added together for an overall score. The firms with the highest overall scores, may, at the University's option, be selected as the University's JOC General Contractors, subject to compliance with Arkansas Code 19-4-1416.

4.0 SCHEDULE

The following is the current planned schedule for the selection process. Dates and times are subject to change; interested parties will be promptly notified of any changes to key dates via an addendum.

Notification of most qualified firms selected to be interviewed	February 28, 2024
Tentative date for Interviews (exact date to be determined after selection)	March 5-7, 2024
Selection of the firms with the highest overall total score	March 13, 2024
General Contractor Services contract execution	July 1, 2024

5.0 INFORMATION FOR JOC CONTRACTOR

The RS Means Cost Book (the current edition) will be used at the time of execution of the JOC Contract. The current RS Mean Cost Data book will be incorporated by reference, at the time of each annual contract renewal. Pricing and fee estimates will remain in effect for the duration each contract year.

The UCA project manager will verify, through the RS Means cost data, that all estimates submitted from the contractor do not exceed RS Means pricing.

- 5.1 Specific project requirements will be identified in individual Work Orders issued by the University. Written quotes will be required for each individual project.
- 5.2 Each individual Work Order issued for a particular project will not exceed \$1.2M, including sales tax and design fees.
- 5.3 All Work Orders, including those with multiple parts, issued for the same project shall be treated as a single Work Order for purposes of the \$1.2M, limit on Work Orders.
- 5.4 Reasonable extensions may be granted at the beginning of each new fiscal year not to exceed a total of four (4) years if the price remains mutually agreeable to the university and the quality of work is satisfactory to the university.

- 5.5 The initial contract term of this contract will end June 30, 2025. The contract may be renewed on July 1 of each fiscal year and may, upon mutual consent of the parties, be extended yearly, for a total contract duration not to exceed four (4) years.
- 5.6 The JOC General Contractor shall provide to the University, in an electronic spreadsheet, each month, or as requested, a summary of all Work Orders and their status. At a minimum the spreadsheet shall include, a list of Work Orders issued, the lump sum price of each Work Order, the number of change orders and the total project cost.
- 5.7 When the Specification Standards are not inclusive of the work to be performed under a Work Order, the JOC Contractor may be required to propose appropriate technical specifications, and/or products and procedures, to the University for review and acceptance. All specifications, and/or product and procedures developed by the JOC Contractor must be in compliance with the contract documents, and all current national, state, and local codes; industry standards and applicable owner requirements and regulations.
- 5.8 No more than twenty percent (20%) of the dollar value of a Work Order may consist of items of work not pre-priced.
- 5.9 The JOC Contractor shall have an office within 150 miles of the University of Central Arkansas, Conway, AR campus. It is imperative that JOC staff be able to lend support on-site within a matter of minutes not hours. Proposers should propose how staff and on-site management will be supported and responsive to UCA's needs.
- 5.10 The Procurement Contract Manager will email the JOC Contractor requesting the following required documentation for JOC projects.
- Certificate of Insurance to include General Liability, Worker's Compensation (if required) and Current Automobile Insurance.
 - Contract and Grants Disclosure Form if over \$25,000
 - Copy of current license from the Arkansas Contractor Licensing Board.
 - UCA Combined Form for Boycotts and Illegal Immigrant Certification
 - EEO Policy if over \$25,000
 - Performance and Payment bond if over \$50,000. The bond must be filed in Faulkner County.

6.0 QUALIFICATIONS AND EVALUATION CRITERIA

The Contractor(s) selected for an award will be the Contractor(s) who submits the most advantageous Proposal to the University. The University of Central Arkansas is not bound to accept the lowest priced Proposal if that Proposal does not provide the “Best Value” for the University. The criteria for evaluation of qualified Proposals, and selection of the successful Contractor(s) for this award, will be based on the factors listed below (see Proposal Evaluation Forms attached as part of the Proposal Form). Each criterion should be on a separate page, numbered and titled as listed below. The University will evaluate Proposals submitted based on the criteria listed below. When responding to this RFP, firms must reply to each of the items set forth in Sections 6.1 through 6.6.

Note: All responses to this RFP shall be organized in the same order as listed below in sections 6.1 Through 6.6, and should be thorough, clear, concise, and avoid duplication of information. **The maximum number of pages to be submitted is twenty-five (25).**

6.1 Statement of Qualifications and Trade Contractor’s Capabilities (Maximum 25 pts)
