SUBMISSION DEADLINE:

October 8th, 2021

Arkansas Psychological Association

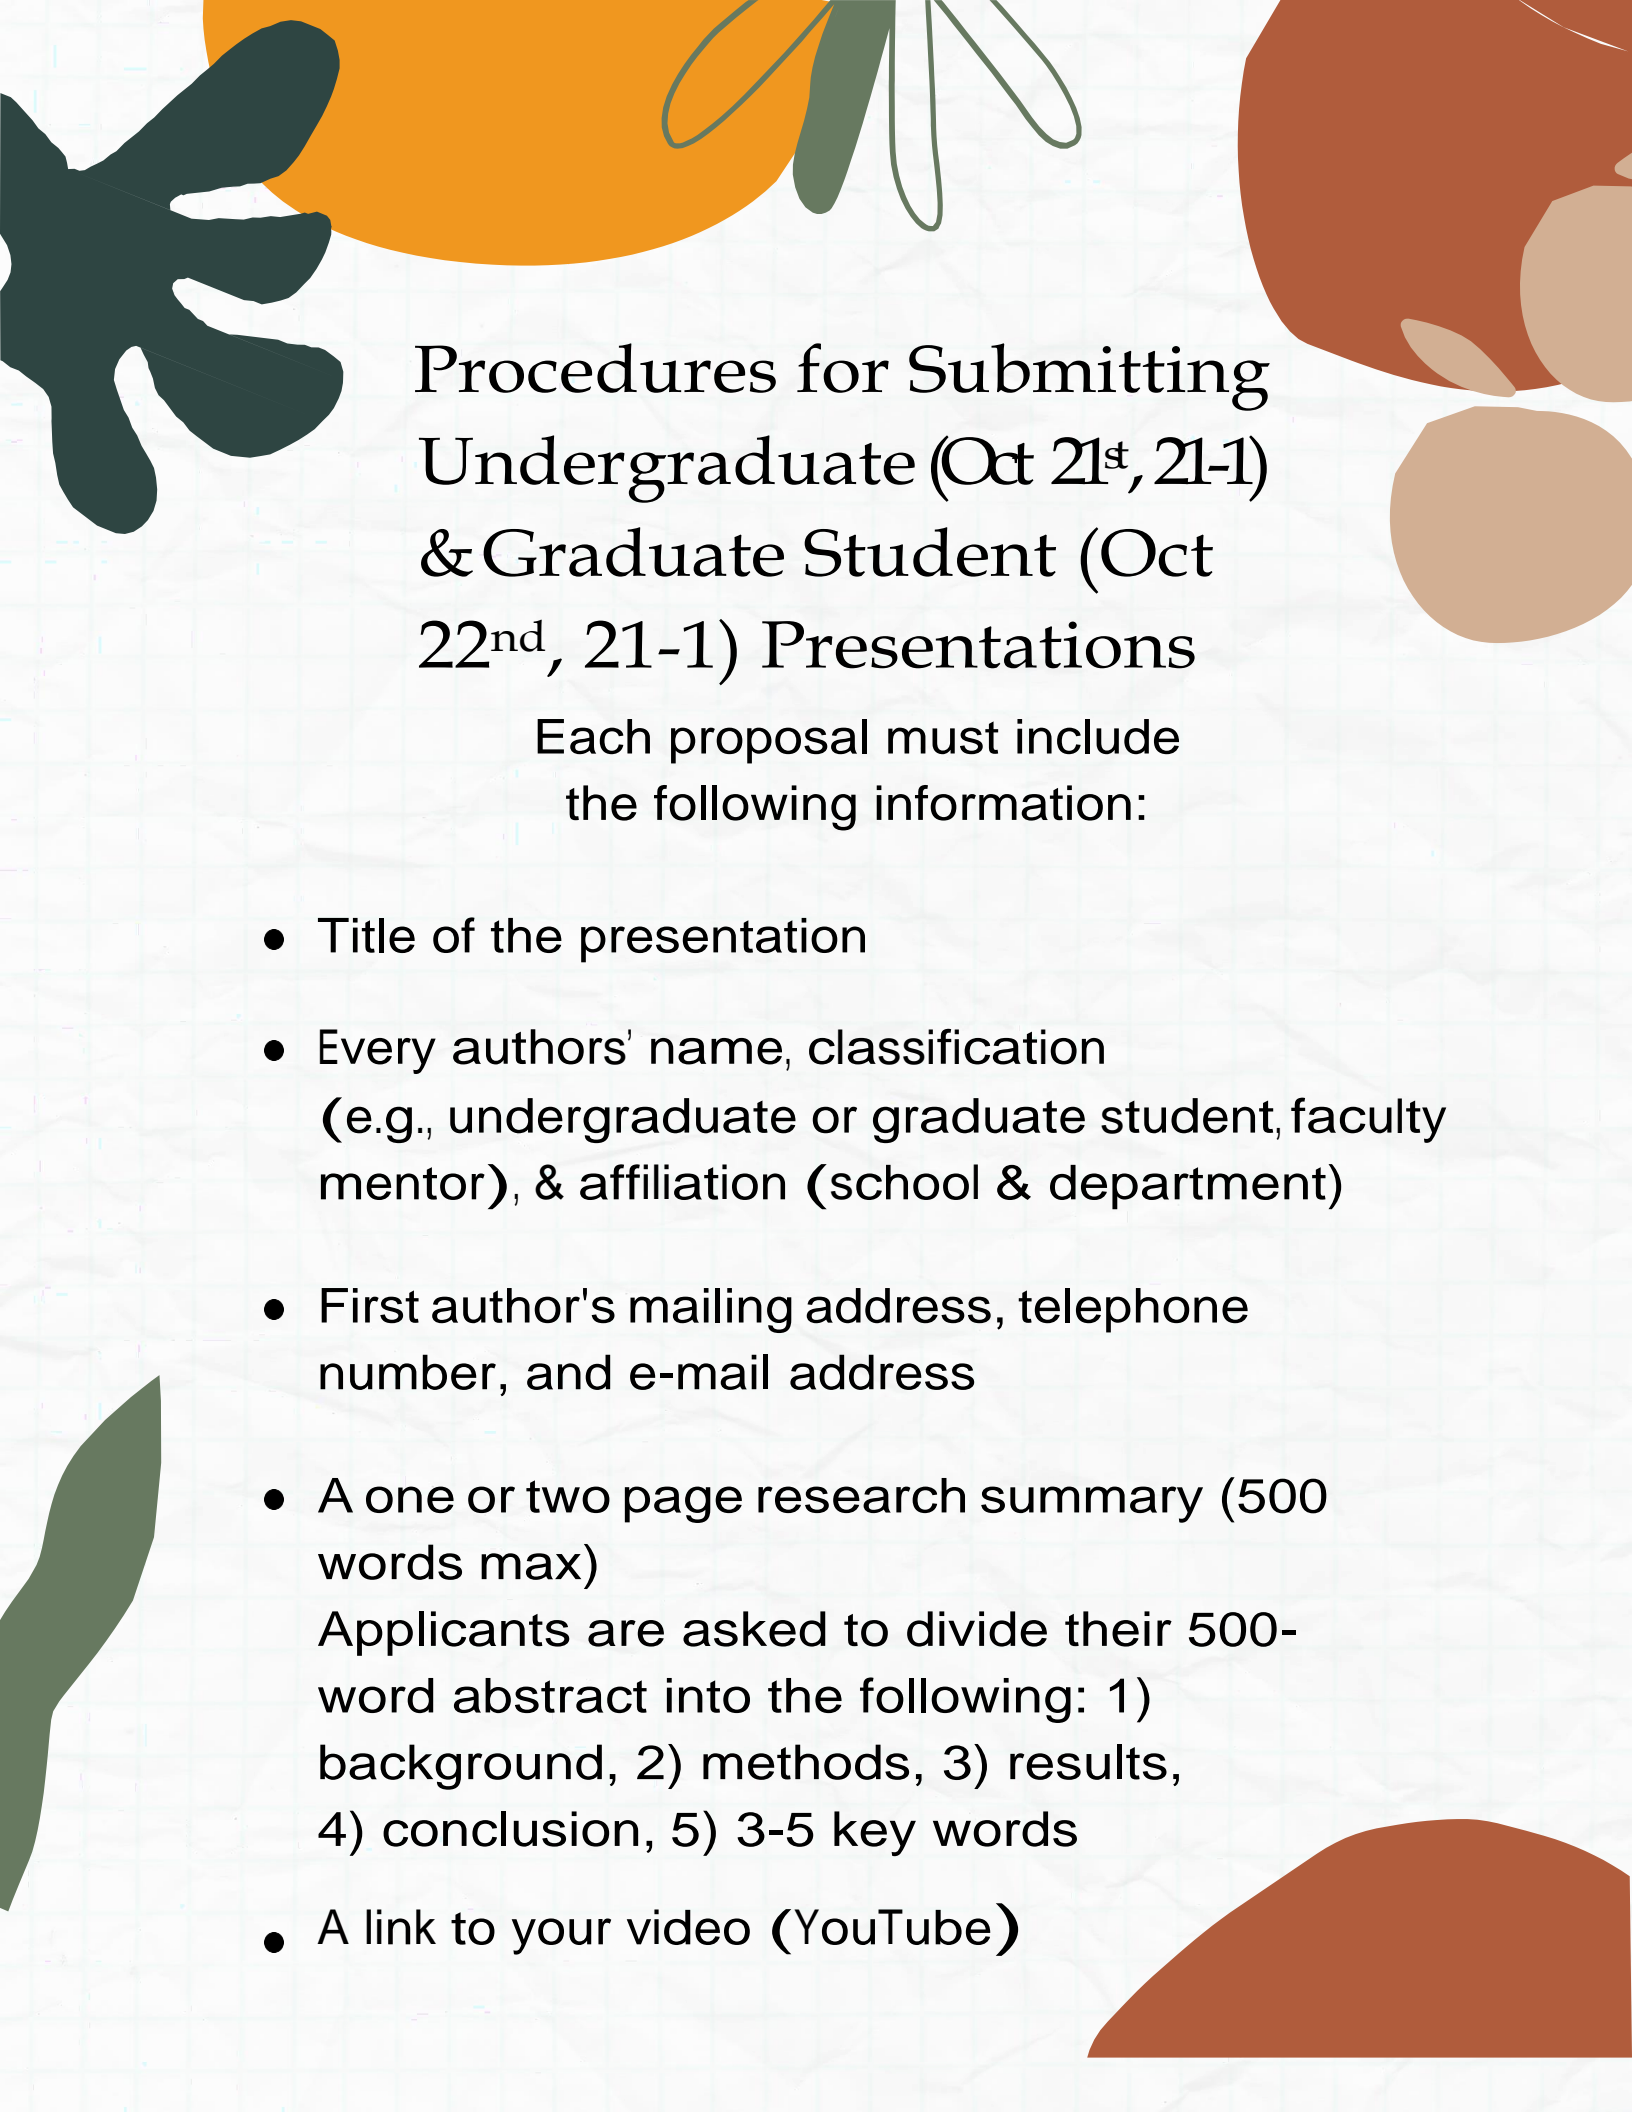

It is with great pleasure that the Arkansas Psychological Association invites graduate and undergraduate students of psychology and related disciplines to participate in a video submission highlighting important research.

Due to the continued restrictions revolving Covid-19, we will not be hosting live student presentations this year. The Arkansas Psychological Association values students' dedication and hard work and would be honored to learn and virtually display students' research.

We are asking students to submit a link to a 3-5 minute video that features important research information. We encourage students to be creative with their videos. Submitted videos will then be reviewed to be featured on our website.

AWARDS: The outstanding presentations will be recognized as the best presentation (undergraduate and graduate).

We are excited to learn about all of the wonderful research being done in the state! This is an excellent opportunity for students to present their research, build their CV, and engage in scholarly dialogue.

Procedures for Submitting Undergraduate (Oct 21st, 21-1) & Graduate Student (Oct 22nd, 21-1) Presentations

Each proposal must include the following information:

- Title of the presentation
- Every authors' name, classification (e.g., undergraduate or graduate student, faculty mentor), & affiliation (school & department)
- First author's mailing address, telephone number, and e-mail address
- A one or two page research summary (500 words max)
Applicants are asked to divide their 500-word abstract into the following: 1) background, 2) methods, 3) results, 4) conclusion, 5) 3-5 key words
- A link to your video (YouTube)
