**3/12/2024** Physical Therapist and/or Physical Therapy Assistant Needed Building Bridges

Developmental and Community Services, Inc.

Cabot and Lonoke Centers

Our mission is to promote independence and acceptance by providing children and adults with skills and services needed to live a purposeful life, that not only benefits the whole person, but also their families and our communities.

Responsibilities include but are not limited to evaluate and assess the physical needs of pediatric and adult clients, develop individualized treatment plans to improve mobility, strength, and motor skills, collaborate with other healthcare professionals to ensure comprehensive care, educate patients and their families on therapeutic exercises and techniques.

We offer a flexible schedule, competitive salary, continuing education opportunities, and a supportive and collaborative work environment. If you are passionate about pediatric physical therapy and making a positive impact on individual's lives, we want to hear from you!

Please submit your resume and cover letter to [tosburn@buildingbridgesar.org](mailto:tosburn@buildingbridgesar.org).

**3/11/2024** PT POSITION WITH ACTIVE LIFE PHYSICAL THERAPY

Enjoy the beauty of the Northwest without the hustle and expense of the city! ACTIVE LIFE PHYSICAL THERAPY is located in scenic Port Ludlow, just west of Seattle, on the beautiful Olympic peninsula. Port Townsend and Poulsbo are neighboring cities. Port Ludlow is a resort community offering boating, fishing, hiking, golfing, and kayaking. Sign-On Bonus for Full Time / Competitive Salary. Full Time Package (Medical, Dental, Vision, Paid Vacation, Holidays, Generous Con. Education, APTA dues). Completely one-on-one! This approach goes away from the traditional gym atmosphere of bouncing between patients. One hour eval and 45 - 60 min tx.

Average 9 patients a day. Great new graduate environment / Excellent mentorship program. Variety of ortho diagnoses (neck, back, shoulder, elbow, hand, hip, knee, ankle) and neuro (CVA, Parkinson's, vestibular).

Clinic owner is an onsite practicing PT with patient caseload. Great patient access for follow-up visits.

Small one clinic company where your needs are addressed immediately. Known for our generous mentorship program: Time to learn without pressure. Gradual build up of case load.
