SECTION 1 ADMINISTRATIVE OVERVIEW

1.0 UCA Background

The University of Central Arkansas was established as Arkansas State Normal School by the General Assembly of Arkansas in 1907, with statewide responsibility for preparing citizens to teach Arkansas children. Summer sessions were started in 1910.

The name of the institution was changed to Arkansas State Teachers College in 1925. By legislative enactment, the Board of Trustees was given authority to grant appropriate degrees. In January 1967, the name of the institution was again changed by the State legislature to the State College of Arkansas, expanding its statewide role to a multipurpose institution. On January 21, 1975, the governor of Arkansas signed a bill granting university status to the institution and naming it the University of Central Arkansas.

The first diploma granted by Arkansas State Normal School was the Licentiate of Instruction, and in 1922 the first baccalaureate degrees were granted. Today the university’s comprehensive undergraduate curriculum comprises more than 90 major programs and ten different degrees. A program of study leading to the Master of Science in Education degree was inaugurated in 1955, and the Educational Specialist degree was begun in 1980. Since that time, UCA has developed a variety of high quality offerings in graduate studies, with more than 55 graduate program options and 14 different graduate degrees, including doctoral programs in physical therapy and psychology. Extension classes were first offered through Correspondence Study courses in 1919-1920 and Study Clubs in 1920-1921. Academic outreach, including extended-learning opportunities for undergraduate and graduate credit and in non-credit courses, continues to play an important role in fulfilling the university's twenty-first century mission.

Board of Trustees

The University is governed by the Board of Trustees composed of seven members. Each member is appointed by the Governor of Arkansas for a seven-year term. Terms of office are staggered, with one member completing a term each year.

Academic Programs

At present, the University consists of six colleges - the College of Business, the College of Education, the College of Fine Arts and Communications, the College of Health and Behavioral Sciences, the College of Liberal Arts, the College of Natural Sciences and Mathematics - and a graduate school. Each college has within it a number of departments. Offerings for most departments extend from freshman level to graduate level courses. Students of the University may select a plan of study leading to one of the eight baccalaureate degrees conferred by the University: Bachelor of Arts, Bachelor of Business Administration, Bachelor of Music, Bachelor of Science, Bachelor of Science in Nursing, Bachelor of Fine Arts, Bachelor of Professional Studies, and Bachelor of Science in Education. The University confers ten masters and three doctoral degrees.
