

Study Personnel Form

Instructions: Submit this form at the time of initial review and continuing review, or submit it with a Modification Request when adding individuals to the study staff.

A. PROTOCOL INFORMATION

Date: IRB / IACUC #:
(leave blank if unknown at time of submission)

Title:

Principal Investigator: Research Advisor:
(if PI is a student)

B. STUDY PERSONNEL

Include all study personnel, including the Principal Investigator and any research staff who have either 1) contact with human or animal subjects, 2) access to identifiable data, directly or indirectly via a coding system or key, or 3) are involved in the informed consent process.

Name	Role in Study <i>(co-investigator, undergraduate, graduate, postdoctoral, collaborator, other)</i>	Involved in Consent?	Does this person have a financial interest related to the research*?	
			Yes	No

***Financial Interest Related to the Research** is defined as any of the following interests in the sponsor, product, or service being tested, or competitor of the sponsor held by the individual or the individual’s immediate family:

- Ownership interest of any value including, but not limited to stocks and options, exclusive of interests in publicly-traded, diversified mutual funds.
- Compensation of any amount including, but not limited to honoraria, consultant fees, royalties, or other income. **This does NOT include salary or other remuneration paid by UCA to current employees as a part of their regular employment.**
- Proprietary interest of any value including, but not limited to patents, trademarks, copyrights, and licensing agreements.
- Board or executive relationship, regardless of compensation.
- Reimbursed or sponsored travel of any amount by an entity other than a federal, state, or local government agency, higher education institution or affiliated research institute, academic teaching hospital, or medical center.

Immediate Family means spouse, domestic partner, children, and dependent children.
