September 15th, 2025

Hope you got your coffee and your books because it's about that time! The temperatures are cooling down, the leaves are starting to change colors, and fall is almost in full swing.

Have any fun plans for the fall? Nature photography, pumpkin patch trips, or something else? Let us know!

Contact Charlie Grant (cgrant2@uca.edu) with your favorite fall plans and ideas and you'll have a chance at being featured in next month's issue!

HUCKLEBEARY'S ADVENTURES

Now that I've got all of the sand out of my fur, I can finally share my tales (tails?) from my vacation with Dr. Skaggs!

We did so much on the trips—I got to see the giant shiny bean in Chicago, went to a Cubs game(my personal highlight), and I was buried in the sand in Florida.

At least the picture's cute! The sand fleas, not so much.
