Attention Students: Please read the following statement.

*By Arkansas law, students cannot receive financial aid from the state that would go over the recognized cost to attend public institutions of higher education. If you receive an Arkansas Academic Challenge Scholarship, UCA scholarship, or other public funds, including Pell grants, please contact the UCA Financial Aid Office before **December 1, 2024**. You can fill out the form at <https://uca.edu/financialaid/contact-our-office/>, and choose "Scholarship Questions" from the drop-down menu. Copy and paste the following question into the question/comment box:*

Dear Financial Aid Advisors:

I have applied for the Student Undergraduate Research Fellowship (SURF) through the Arkansas Department of Higher Education and receive state financial aid. I would like to speak to a financial aid advisor regarding next steps in case I am awarded the fellowship and my financial aid package exceeds the cost of attendance at UCA.

Thank you!

I attest I have read and understand the above statement and will contact financial aid regarding my application for SURF if applicable.
