UCA Navigate for Staff

UCA **Navigate** (formerly "GradesFirst") is a student success management system that connects staff across campus in supporting student success. Staff can utilize Navigate to:

- Access a Student Dashboard for each student that provides current academic information for individual students;
- Submit and review Progress Reports or Early Alerts;
- Send email campaigns to specific cohorts;
- Share an appointment calendar with your students;
- Record participation at events;
- Review appointment and advising notes.

To access Navigate for Staff: log in to myUCA and select the Navigate for Staff tile or go to https://uca.navigate.eab.com/ and log in using your UCA username and password.

(If you receive an error message or notification that your credentials are not recognized, please email Nadia Eslinger at neslinger@uca.edu.)

For more information, see: https://uca.edu/studentsuccess/navigate/

Training on Navigate will be available this Fall. Please see the website in September for available dates.

Questions? Email navigate@uca.edu or call Student Success at 501-852-2117.

UCA Navigate Student

Now you can make appointments with your academic advisor or others, check your class schedule, find information about campus resources and more all through UCA **Navigate Student (formerly "GradesFirst").**

There are three easy ways to access Navigate Student:

1. **Download the Navigate Student Mobile App.** It's easy and it's free. Just download Navigate Student from Apple's App Store or Google's Play Store, and log in; or

2. **Log in to myUCA and select the Navigate Student tile;** or

3. **Go to https://uca.navigate.eab.com/** and log in using your UCA username and password

Questions? Email navigate@uca.edu or call Student Success at 501-852-2117.
