7:00 - 8:00			Yasmine	Bernice		
8:00 - 9:00			Yasmine	Bernice		

Austin - College Algebra, Trigonometry, Calculus I-III, Ordinary Differential Equations, University Physics I-III, Mechanics, Thermal Physics, Quantum Theory I & II, Electricity & Magnetism I & II, Anatomy & Physiology I&II, Biology I & II, Microbiology, Chemistry I&II, MIS 1300

Bernice - College Algebra, Trigonometry, Calculus, Quantitative Literacy

Emily - College Algebra, College Physics I&II, Biology I&II, Chemistry I&II, Organic Chemistry I&II, Cell Biology, Ecology, Animal Physiology, Structure & Function I&II, Exercise Physiology

Jordan - College Algebra, Trigonometry, Calculus I, Statistics, Biology I&II, Genetics, General Ecology, General Microbiology, Chemistry I&II, Organic Chemistry I, General Psychology

Makena - College Algebra, College Physics I & II, Chemistry I & II, Biology I, General Psychology, Structure & Function I&II, Psychological Statistics, Pathophysiology Exercise Physiology

Mason - College Algebra, Transitions to Advanced Math, Cal I-III, College Physics I-III, Biology I & II, Foundations of Wellness, Nutrition, Chem I & II, ODE, Anatomical Kinesiology, Structure & Function of the Human Body I, MIS 1300

Nadira - Pre-Calculus, Calculus I-III, College Algebra, Plane Trigonometry, Calculus for Life Sciences, Statics, College Physics I-III, University Physics I-III, Computer Science I & II, Dynamics, Intro to Engineering, Biology I, French, Ordinary Differential Equations

Noah - Calculus I-III, Trigonometry, Ordinary Differential Equations, Advanced Mathematics, Math Methods, College Algebra, Quantitative Literacy College Physics, University Physics I-III, Thermal Physics, Intro to Probability Theory, Desktop Support, MIS 1300

Reyna - College Algebra, College Physics I & II, Biology I & II, Chemistry I & II, Organic Chemistry I & II, Cell Biology, Animal Physiology, Ecology, Biochemistry, General Psychology, Sociology

Samantha - Calculus for the Life Sciences, College Algebra, Elementary Statistics, Computer Science I & II, Data Structures, US Government & Politics, Intro to International Relations

Tarrant - Algebra, Discrete Math, Trigonometry, Calculus I-III, Computer Science I & II, Data Structures, Linux/Unix Systems, Elementary Statistics, MIS 1300

Tiffany - College Algebra, Quantitative Literacy, Trigonometry, Calculus I-III, Ordinary Differential Equations, Statistics, Accounting I, Macroeconomics,

Yasmine - College Algebra, Calculus for Life Science, Biology I & II, Chemistry I & II, Organic Chemistry I & II, General Ecology, Genetics, Cell Biology, Advanced Cell Biology, Human Anatomy & Physiology, Pathophysiology, Pharmacology, French, General Psychology, MIS 1300
