TRANSFERRING TO UCA

Transferring can be exciting and sometimes overwhelming. But once you choose to make UCA your home, we know you'll find our community diverse, welcoming and challenging as you complete your degree.

TRANSFER ADMISSION PROCESS

We encourage students to apply early to ensure themselves the opportunity to start the housing and financial aid processes. Please follow these important steps:

- 1 Create an account and submit an online undergraduate application at uca.edu/admissions/apply.
- 2 Request that official transcripts from all previously attended colleges or universities, including those where high school concurrent credit was earned, be sent to the Office of Admissions.
Note: A minimum 2.0 cumulative GPA on all transfer coursework is required for admission consideration.
- 3 Submit proof of two MMR shots or proper exemptions from the Arkansas Department of Health prior to registration. Students born before Jan. 1, 1957, are exempt from this requirement.
- 4 Students with less than 24 earned credit hours at the time of application must submit an official high school transcript or GED and official ACT/SAT test scores that meet minimum freshman requirements, including:
 - 2.5 high school GPA
 - 17 ACT composite/930 SAT total
 - Minimum 15 ACT/SAT equivalent required for all subject sub-scores

Applications are processed on a rolling basis throughout the year. It usually takes two weeks to process your application once all required materials are received. If you still have questions after reviewing the information on this page, please contact our Admissions office at admissions@uca.edu or **(501) 450-3128**.
