SUBMISSION PROCEDURE

Once proposals have completed all the approvals through the College Dean, they will need to be digitized and submitted electronically to the Graduate School.

Each proposal and its supporting documents should be created in its own PDF file and the filename should be that of the PI followed by their college code (ex. Smith, John COE.pdf). The original (paper copy) of the proposal must also be submitted to the Graduate School.

Please email your proposals to the Graduate School at ucagradschool@uca.edu.
