

## Modern Languages Major: French Concentration Traditional and Business French Tracks

A Modern Languages major with a concentration in French requires a minimum of 34 hours of French courses at the 2310 level or above and 3 hours in English (World Languages or Intro. to Linguistics). Courses used to meet area requirements in one block may not be double counted in another. With the exception of WLAN 2350 and 3390, WLAN prefixed courses and French 1310 & 1320 DO NOT count toward the French major. In addition, students must achieve satisfactory performance on proficiency tests upon entrance to and exit from the major program, and a minimum grade of C in each course applying to the major program.

### Important notes:

- Summer or a semester of study in a French-speaking country is strongly encouraged.
- All majors must complete a minor. French Business students must complete the 24 hour General Business minor. Courses may **not** be double counted for both a major and a minor. See *UG Bulletin*.
- In order to graduate, every UCA student must have a total of 120 semester hours and 40 upper-division hours; 24 of the last 30 hours must be completed in residence.
- Certain courses **may** be double counted toward a second **major** (e.g. BA in International Studies, International Trade, Linguistics, etc). See program requirements in *UG Bulletin*.
