Dear Students,

In light of the recent news, all upcoming events sponsored by the Division of Student Services have been canceled or postponed indefinitely. The list of events includes, but is not limited to:

- The Big Event
- Wellness Fair
- Safe Spring Break Week
- Campus Outdoor Pursuits & Activities (COPA) - Recreation Trips
- Women's Tea
- The Miss Essence Pageant
- Bear Boots on the Ground - Spring Break trip to Memphis
- Student Orientation Staff (SOS) interviews
- All Student Activities Board (SAB) events
- All Greek Life events
- All intramural events
- Additionally, the UCA HPER Center has suspended facility rentals (softball, soccer, pool, etc.)

We understand how vital extracurricular activities are to the student experience at UCA, but in the current environment, the safety of our campus community is paramount. As more information becomes available in the coming weeks, we will assess the above-mentioned events, as well as any future events, to determine if any can be rescheduled at a later date. We appreciate your understanding as we take the needed steps to guard the health of our UCA Family.
